# Scholarship Application

**Instructions**

Please send your application answers to Kelly Duncan, the Director of Admissions:  
kelly@themindrebel.com

**Questions:**

Project out 100 years from now, and imagine that someone found a time capsule with your legacy inside. What do you hope those pages will read? What impact do you want to leave on the world? How do you want to be remembered? How will you have left this earth better than you found it? What other items would be inside the time capsule that encapsulated the essence of who you were as a person during your time on earth?

Describe a life experience that changed the trajectory of your future? What was your key learning from that experience?

Who has been your greatest role model and why? (it can be someone you don't know personally as well).

How will becoming a Certified Mind Rebel™ Coach launch you forward in your life's work of impacting those you love and serve? You could either write this answer in 2 or 3 paragraphs OR come up with a creative way to answer this. For example, you could create an online vision board that shows the vision for your life as a Mind Rebel Coach, or a compile a collage of pictures that captures the essence of who you are, or you could create a piece of artwork, etc...)

Please submit a reference letter from a person in your circle of influence who can speak to the essence of who you are and why you would make a brilliant coach (i.e., a mentor, a leader, a co-worker, a friend, a family member).
